WELCOME, PRAY, AND INVITE

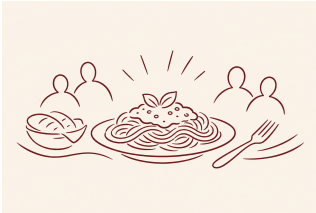

We are grateful to everyone who gathers with us for prayer, and we extend a special welcome to all our visitors. The Sunday Divine Liturgy is a beautiful opportunity to pray together as one parish family, finding strength, hope, and peace in God. Let us also remember to invite our family members and friends to join us and experience the beauty of our Byzantine Catholic tradition.

Every Divine Liturgy is also an opportunity to offer a special intention for our loved ones, both living and departed. To request a Divine Liturgy intention, please speak with Father Vasyl

or contact the parish office.
